Rathan breaks the table

On 30/06/2013 morning, Ratan thought it was 29/06/2013 night and he was late to school. The time was 12:00 when English period started. The teacher asked Ratan, "Why are you late?"

Ratan answered "I thought it was night." His mother gave a half day leave letter and he came to the class. He asked his friend, Jaiganesh "What they taught". Jaiganesh Replied "They taught Y and Z. In Math, they taught subtraction." After the school ended, he went back home.

Next day, He was first to the class. He broke the table by mistake. After the teacher came, she asked "Why did you break the table?" and he told "Sorry". Rathan felt very guilty. The teacher informed the principal. She told, "You must pay ₹ 500 as fine. Her mother gave ₹ 500 as fine. The School bought a new table.

Rainy Month 2015

During November & December 2015, Chennai experienced heavy rain. In the main road connecting 32 – 42 from 1- 8 Block was full of water. I saw boats were coming. One time the water came in basement. We were safe because of the basement. From that day nobody keeps their cars in basement. All said 'When the rain and flood will go?' The whole Chennai suffered. Many people lost their lives. Many helicopters came and gave food for people who suffered.

All State Market

I am standing in DKMC (Delhi, Kolkata, Mumbai, and Chennai) Market Festival in DLF Garden City. It is very beautiful place. It has 36 Shops. Each stall is owned by people from 29 States and 7 Union Territories.

In each stall they sell products that are special in their State/UT. This includes Food, Dress etc....

Like DLF GC, This festival happens all over India and Sri Lanka.

It is called "Festival Shoppinga". It was first celebrated in Bengaluru, Karnataka in 2002.

This festival was found by Aneevidhashmirich Jaya. It starts on 1st Nov and ends on 20th or 21st Nov. On 1st Nov all people shout from their balcony "AHAAHAAHAAH". In the beginning of the program people dance and sing. Then they open shops.

Each year shop keeper collects ₹ 20,00,00,000 (2000 Crore) In total both India and Sri Lanka.

Prince Salmeer and Soccerer

Rajendra was the king of Udaipur. He was married to the princess of Bijapur. One day, while the king went for hunting, a sorcerer kidnapped him because he wanted to marry the princess of Bijpur. So, transformed himself like Rajendra and went to the palace. At that time the Queen gave birth to a boy. And the sorcerer named him as Salmir. Salmir grew up. And he found the truth one day. He went to search for his father. He saw a deep dark den and went inside it. He found a man prisoned in a cage, that that man looked like a king. Salmir rescued him and found it was his father Rajendra.

They went back to the palace and challenged the so sorcerer for a quiz. Salmir asked questions which is subjected to kingdom like "How many solders we have". And Rajendra answered every question correctly. And the sorcerer was hanged.

Jaiganesh, The President

All children were very excited. When Sudha Aunty took the mike, all shouted! Then Aunty announced that Jaiganesh is the President, Nevin and Thejas was very sad.

Nevin was looking very sad. "Harsitha told, there is a mistake. How he is a President. All will have voted for Nevin, the how he won." All Children congratulated Jaiganesh. Nevin said Jaiganesh 'You are the President; I am the dummy Vice President. Rama aunty told 'You are a very good boy'. Jaiganesh did many good things to the school.

Alem And Grief

Alem was a spy agent working for Al 15 but was doing the job of a driver in his area. He wanted to spy on 'Grief and Thief'. One-day Alem went to the Grief's house to ask for a driver job. Grief looked like a skeleton and was bald. Grief asked his servant to give water to Alem and asked Alem to join as driver.

Next Day, Grief killed 10 people in a hotel using his gun with silencer and looted their money. But nobody was able to find out who killed the ten people. Next month Grief and his gang stole new ` 2000 notes from the Central Bank branch and escaped in their Van. Alem was the driver of the Van.

Some months later, he tried to kidnap children from Central School. Alem called Police to tell them about this plan. So, Police went to rescue the children. Police covered the gates and rooms because Grief and his gang should not escape from them. Police had two guns but they forgot to put the bullets and so Grief and his gang hit them. **Dishoom! Dasham! And escaped.** Alem was the driver of the Van this time also.

The next day, he and his gang, kidnapped one woman and one man and wanted to escape in the van. This time Alem put a nail in the tire and started driving. Alem also informed the police where he was driving. After some distance the van stopped as tire got punctured. This time Police were able to catch Grief and his gang. But when Police came Alem ran away. Grief thought Alem

was his driver but he was actually spy but no one knew. After that Alem tells about Grief to AI 15.
